

Create Your Escape Plan

When it comes to fire safety, every second counts! It is vital that every family comes up with an escape plan in the event of fire in the home.

USE THE GRID TO COMPLETE YOUR TASK:

- Draw a map of your home. Include all of the doors and windows.
- Draw red arrows on your diagram to show at least two escape routes per room.
- Visit each room and find two ways out.
- All windows and doors should be easily accessible.
- Check each smoke detector. Push the test button to make sure they are all working.
- Make sure your house or apartment number can be easily seen from the street.
- Have a discussion with your family about the plan.
- Practice your fire drill.
