

Hello Camp Susquehanna Family,

The COVID-19 pandemic has impacted all of us and as a result we are innovatively redesigning the 2020 Camp Susquehanna experience. To protect all persons involved, we will offer much of the same fun, crafts and opportunities, but without in-person contact. We will do this away from Camp Westmont at various times throughout the year. To protect the health and happiness of our campers, counselors, families and volunteers, we will offer activities over the internet and, to the extent permitted and practicable, in-person.

The Camp Susquehanna Leadership Team is already hard at work developing ways of safely bringing us all together with opportunities for sharing, activities and projects. **Please remain informed through Facebook, email or the Burn Prevention Network's Website (<https://www.burnprevention.org/>) for exciting announcements and invitations to participate.** Our theme this year is "Be the Change!" Together we will soon connect and BE THE CHANGE for a different type of Camp Susquehanna!

We know this is a difficult time for everyone, especially those who have experienced trauma. Please be kind to yourself and others. We think and care about you every day as we look forward to the day we can meet in-person again. Please stay safe and healthy.

With lots of love and a big **Camp Susquehanna, Ohh Ahh!**  
*The Camp Susquehanna Leadership Team and  
The Burn Prevention Network*
